Bureau of Export Administration nor any other federal agency has suspended, revoked or denied your export privileges.
11. You may install one copy of the Software on one device. That device is the “licensed device.”
12. The components of the Software are licensed as a single unit. You may not separate the components and install them on different devices.
13. Hardware or software you use to pool connections, reroute information, or reduce the number of devices or users that directly access or use the software (sometimes referred to as “multiplexing” or “pooling”), does not reduce the number of licenses you need.
14. Some or all of the Software may be licensed on a trial basis. Your rights to use trial software are limited to the trial period. The trial software and length of the trial period are set forth during the activation process. You may have the option to convert your trial rights to a license and/or subscription. Conversion options will be presented to you at the expiration of the trial period or at the time you install the software to begin the trial period. After the expiration of any trial period without conversion to a license and/or subscription, most, if not all, of the trial software will stop running. Further, if you do not cancel the purchase of the license(s) you are using on a trial basis

before the trial period expires, the sale of the license(s) will be completed and you will not receive a refund. If you are using the software on a trial basis, it is your responsibility to cancel the purchase of the license(s) before the trial period expires. In addition, if you fail to cancel the purchase of the license during the trial period, subscription fees will also be charged and will continue until you cancel the subscription. However, at the sole discretion of Perfect Legal Pleadings, LLC. and/or TNIP, LLC. such license(s) may be reactivated upon payment of past due subscription(s) fees for each license.
16. Activation and/or installation associates the use of the Software with a specific device. Activation and/or installation of the software will send information about the software and the device to Perfect Legal Pleadings, LLC. and/or TNIP, LLC. This information includes the version, the license version, language and product key of the software, the Internet protocol address of the device, and information derived from the hardware configuration of the device. BY USING THIS SOFTWARE, YOU CONSENT TO THE TRANSMISSION OF THIS INFORMATION. If properly licensed and current on subscription fees, you have the right to use the version of the Software installed during the installation process. UNLESS THE SOFTWARE IS ACTIVATED AND SUBSCRIPTION PAYMENTS ARE PAID ON TIME, YOU HAVE NO RIGHT TO USE THE SOFTWARE. Some changes to your computer components or the software may require you to reinstall and/or reactivate the software.
17. The software will from time to time request download of the validation features of the software. Validation verifies that the software has been activated and is properly licensed and subscription fees are current. A validation check confirming that you are properly licensed and are current on your subscription fees permits you to use the software.
18. During or after a validation check, the software may send information about the software, the device and the results of the validation check to Perfect Legal Pleadings, LLC. and/or TNIP, LLC. This information includes, for example, the version and product key of the software and the Internet protocol address of the licensed device. BY USING THE SOFTWARE, YOU CONSENT TO THE TRANSMISSION OF THIS INFORMATION.
19. If, after a validation check, the software is found to be counterfeit, improperly licensed, past due on subscription fees, or a non-genuine product then the functionality or experience of using the software may be affected or terminated.
20. You may only obtain updates or upgrades from Perfect Legal Pleadings, LLC., and/or TNIP, LLC.
21. The Software may periodically check for updates and supplements to the software. If found, these updates and/or supplements might be automatically downloaded and installed on your licensed device(s). We may use the device information, error reports, and malware reports to improve our software and services. We may also share it with others, such as hardware and software vendors. They may use the information to improve how their products run with our Software.
22. The Software is licensed, not sold. In addition, there is a monthly subscription fee that must be paid in order for you to continue to use the Software. All licensing fees and subscription fees are non-refundable. This agreement only gives you some rights to use the features included in the software edition you licensed. We reserve all other rights. Unless applicable law gives you more rights despite this limitation, you may use the software only as expressly permitted in this agreement. In doing so, you must comply with any technical limitations in the software that only allow you to use it in certain ways. You may not:
  1. Work around any technical limitations in the software;
  2. Reverse engineer, decompile or disassemble the software, except and only to the extent that applicable law expressly permits, despite this limitation;
  3. Publish the software for others to copy;

4. Use the software in any way that is against the law;
  5. Rent, lease or lend the software; or
  6. Use the software for commercial software hosting services.
23. To upgrade or convert software, you must first be licensed for the software that is eligible for the upgrade or conversion and current on any subscription fees. After you upgrade or convert, you may no longer use the software you upgraded or converted from.
  24. The software is subject to the United States export laws and regulations. You must comply with all domestic and international export laws and regulations that apply to the software. These laws include restrictions on destinations, end users and end use.
  25. You further agree that Perfect Legal Pleadings, LLC., TNIP, LLC., and/or their successor may transfer the initial licensing fee and the monthly subscription fee from your credit card, bank account or other financial institution until such time as you cancel the subscription of the particular module(s) you originally purchased a license for.   27. You understand that each module not only has an initial licensing fee, but also has a periodic subscription fee. Unless, you remain current on your subscription fees for each module, such module will not function.
  28. You further agree that if you use any product under a trial period offering and do not cancel the purchase of the license before the end of the trial period, that such licensing fee shall be final and the amounts set forth on Perfect Legal Pleadings, LLC.'s Website will be transferred from your credit card, bank account, or other financial institution for each module license fee and any subscription fees. You understand and agree that there will be no refunds after the trial period, if any, expires. You further understand and agree that the licensing and subscription fees are non-refundable.
